MEMORANDUM FOR: DCI

Dear Sir:-

I am a member of The Riverside Church, New York City and have sung in the choir there for almost thirty years.

Last fall, new hymnals were installed and dedicated at a special service of Music Service during my years of service I decided to purchase a new book for my personal use and enjoyment at home. To add to that pleasure I have been asking my friends to autograph the page of their favorite hymns.

To those people, like you, who are prominent in public affairs

JUN

I am writing my request, hoping
that you will favor me with
the honor of including your
autograph in my hymnal. Would
you give me that pleasure by
indicating on the enclosed paper
the name of one of your best-
loved hymns and by signing
your autograph which I may
cut out and paste up on the
page of your choice in my book?
I trust you will not consider
this request too impertinent
for a reply.

With all good wishes to
you,

Very truly yours,
Harriet C. Hollman
